Responsibilities

“UAS Board of Governors’ primary responsibilities are to define the school’s mission, vision, and philosophy, address policy matters, develop long-range plans, and provide sound financial management.”

“The Board of Governors also hires the Director and delegates the day-to-day management of the school to the Director and the Director’s administrative team.”

UAS STRATEGIC PLAN 2023-2028

Learning is continuous and ongoing, occurring in academic, social, emotional, and physical contexts within and outside of school.

Empower Your Mind

The Future of Learning Starts Here

High-value education approach that combines exceptional teaching with cutting-edge technology, provide our students with a superior learning experience that prepares them for success in an ever-evolving world.

1

Mastering the Future

Elevate learners with a transformative education, where they master rigorous academic knowledge, skills, dispositions, and the UAS Learner competencies, propelling them towards success in the dynamic landscape of the 21st century.

2

Empowering Educators

Promote professional development and practice through investment in capable, innovative educators, personnel and administrators.

3

Beyond the Books

Foster a culture of excellence and lifelong learning through impactful feedback, reflective learning, and inspirational instruction, all dedicated to meeting the unique academic needs of every student.

4

Tech-Savvy Classrooms

UAS learners and teachers meaningfully integrate technology into the teaching and learning processes.

Engage and Grow

Building a Community Where You Thrive

1

Emotional Learning

Establish, implement, and monitor a K-12 social emotional program.

2

Community Unite

Foster parent and community partnerships, by developing and maintaining strong channels of communication and promote events to gather, unite and engage the UAS community members.

3

Global Alumni

Develop and expand global network of alumni.

4

Strategic Philanthropy

Nurture a philanthropic culture that engages stakeholders and generates funds to address both immediate and future strategic priorities.

5

Unity in Diversity

Empower UAS education through the preservation, promotion, and celebration of a multicultural environment, fueled by a diverse faculty, staff, and student body developing a sense of belonging for everyone in UAS.

6

Active Leadership

Enhance the range of extracurricular activities and experiences that provide opportunities for leadership and active involvement to complement the academic experience.

7

Impactful Outreach

Expand opportunities for faculty and students to impact and improve their community through meaningful and sustainable actions.

Make a Lasting Impact

Be a game-changer

Fueling success through integrated excellence in facilities, finance, inspiring governance, and leadership.

1

Spaces That Inspire

Develop and maintain world-class facilities to foster a student-centered learning approach encompassing various teaching models and spatial configurations, accommodating diverse learning methods, promoting socialization and meaningful connections.

2

Tech-Driven Learning Excellence

Guarantee the security, timeliness, and effectiveness of technology to facilitate personalized and differentiated instruction, as well as institutional growth.

3

Leading the Way

Provide visionary governance to position UAS as a unique educational institution in Uruguay.

4

Strategic Reserves

Build and manage school reserves to ensure financial stability and to support school and program growth.

5

Financial Fortitude

Foster and strengthen the financial stability, sustainability and governance effectiveness of the institution.
